Classroom News

Over the past week, BORO students have learned about the function of a Human Resources department, as well as all about a W4 form and the other paperwork that must be submitted when hired for a job.

This valuable vocational lesson was prompted by some exciting news... the Sugar Shack is set to begin paying students for their work after school and on Saturdays!

Thanks to a generous donation of seed money, and ongoing support generated through our GoFundMe campaign, many of our students are in the process of becoming Westborough Public Schools employees so they can begin to be paid for their work (safely done, for now, entirely in our non-public production room).

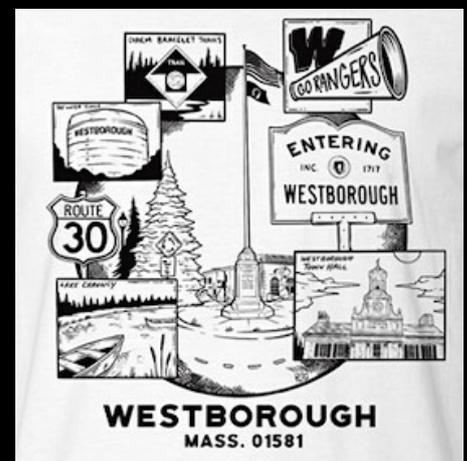

We are thrilled to be taking this next step in the growth of our program!

DATES TO REMEMBER...

BORO Sugar Shack News

This past week, BORO Students assembled 200 special Valentine's gifts for local senior citizens! These cute boxes of treats were made possible by a generous donation to the Sugar Shack, which was then matched by our friends at the Westborough Council on Aging.

We love that our students are helping to share the love within the Westborough community!

What's the hottest treat this Winter???

Cocoa bombs!
