Classroom News

In recent weeks, we celebrated the many achievements of two of our students as they turned 22 and completed their time in the BORO Program. **Congratulations to Shousei and Ali!** We wish you every success, as you take your next steps into adulthood, and we look forward to you taking part in BORO social activities as newly-minted BORO alumni!

The BORO also welcomed our 3 rising students this past month, as Peter, Benjamin and Hunter began joining us on Fridays for our vocational block in the Sugar Shack. As the school year winds down, we are excited to look ahead to a productive Summer program and 2021-2022 school year!
