Sugar Shack!**

A Special Sugar Shack Project...

Thanks to a generous donor, the BORO Sugar Shack and Westborough Council on Aging are partnering to send sweet gifts of gourmet truffles to elders in our community this Thanksgiving.

The BORO students put together the boxes, counted out truffles, sealed and put ribbons around the packages, and then added labels and tags as the finishing touch! They will also participate in deliveries.

Kickoff to Kindness Week!

Stop by the BORO Sugar Shack the week of November 13th-19th and write a "Sweet Sentiment" to display in the store!

Participants will receive a Sugar Shack coupon as a thank you for being so SWEET!

SEPAC Awareness Month

SEPAC (Special Education Parent Advisory Council) serves as an adviser to the School Committee on matters that pertain to the education and safety of students with disabilities. It has a legal duty to meet regularly with school officials to participate in the planning, development, and evaluation of the district's special education programs. It is open to all parents and caregivers of children (ages 3-22) with disabilities.

It welcomes and encourages the participation of anyone (students too!) interested in promoting equity and inclusion at Westborough Public Schools.
